Re: Minutes of the Goose Creek Water District 45-C

The meeting was called to order at 1:10 p.m. by Watermaster Michael Poulton on March 11, 2014 at the Oakley Canal Office. The following members were present- Michael Poulton, Eric Bedke, Jared Bedke and Kelly Adams.

The first order of business was to appoint officers. The method of voting was by majority vote of the water users present [Section 4, statue 42-605]. Kelly Adams was reappointed Secretary for the water year 2014. The minutes of the 2013 annual meeting were read and approved as written.

The budget was approved as the same as previous years. There is no budget monies collected. Water Right Holders maintain their own workings and measuring devices. The Watermaster approves the maintenance and controls the measurement of water. The same goes for the need of a treasurer. It was voted that the same resolutions adopted in the previous years be adopted for water year 2014. Watermaster Michael Poulton has one year left in his term as Watermaster. The Watermaster presented the annual report and a copy accompanies this document.

Those present accepted the district's actions in the 2013 water year and deemed them appropriate for the 2014 water year. According to the numbers, this will be a very tight water year.
